

Zero Waste Festival 2021 - Save the Date

The Zero Waste Festival is in its fourth year.

After shifting online in 2020, we're excited to announce the festival will be held on **Saturday 12 June 10am - 4pm** at Malvern Town Hall. And yes, the event is being held in person. So put it in your diary now.

This year's festival aims to reconnect community and provide festival goers with inspiration to rethink waste, as we bounce back from the pandemic.

We are planning a jam-packed, speed-date style event, where people can learn, connect and have some fun with their sustainability journey, taking on the war against waste.

There will be

- informative zero waste presentations
- workshops showcasing ways to reduce waste
- reuse, repair, repurpose activations
- community information stalls
- an opportunity to have your difficult waste and recycling questions answered

Want to be a part of the festival as a presenter, workshop, exhibitor or sponsor?
