

## Zero Waste Festival 2021 We hope you'll join us

We have great news, the tickets have been released for the new date of the Zero Waste Festival.

The new date is:

**Sunday 22 August 10am - 4pm** at Malvern Town Hall.

This year's festival aims to reconnect community and provide festival goers with inspiration to rethink waste, as we bounce back from the pandemic.

The festival has a program of insightful presentations, zero waste activations and a speed-date a zero-waster setup. So you can listen to, or chat with, zero-wasters for tips on how you can take the war against waste further. You'll also learn how to save money with reuse, repair, repurpose and more.

There will be:

- informative zero waste presentations
- workshops showcasing ways to reduce waste
- reuse, repair, repurpose activations
- community information stalls, and
- an opportunity to have your difficult waste and recycling questions answered.
