[Spring Clean Your Patch](#) is a grass roots event founded by [Beach Patrol](#) and [Love our Street](#) in 2018 which highlights problematic, single-use, 'disposable' plastic. And the issues with litter in our environment.

Last year over 500 people participated in this annual litter collect and data recording event. 186 km was cleaned and 1,846 kg of plastic waste and litter was collected.

This litter collection data is used to collaborate with local organisations and government to keep advocating for plastic waste reform and plastic recycling across the state.

You can take part on Sunday 26th by collecting litter in your local area and entering it into the Litter Stopper app <https://litterstopper.com>

To participate in the litter and data collection:

1. Gather your bags, safety gear, personal protective equipment and anything else you'll need, and head out into your neighbourhood for 1 hour between 9-12pm. Pay attention to the items you collect: bottles, cans, coffee cups/lids, PPE items and butts.
2. [Download the Litter Stopper app](#)
3. Log the collected waste and plastic litter in the app using the 'Full Audit' clean option to record the 5 items listed in step 2. Add other items you wish recorded.

4. Share your experience and photos into the event page, or via comments during the broadcast or on your social media and include hashtags **#springcleanyourpatch21 #plasticlitter**

Directions on how to use the app version 3.9:

1. Take a photo of your group or litter collection
2. Press 'Start Clean'
3. Select 'Love Our Street', then select 'Spring Clean Your Patch'
4. Select 'Begin Without Timer'
5. Type in 'Your Location' (ignore the default postcode 3000)
6. Choose your 'Type of Cleaning Area'
7. Select 'Full Audit Clean' to enter your collected rubbish. Finish collection when done.
8. Follow the prompts in the app to enter details
9. Hit 'Submit' and upload a pretaken photo if you wish

Make sure you dispose of waste appropriately - rubbish in the rubbish bins, recycling in the recycling bins and drop off any clean soft plastics at REDcycle - you know the drill. And make sure you stay COVID safe!

Thanks for being a Zero-Waste champion. And taking part with us.
